V2 had damage to the passenger side door and it was facing the west on Highway 60. V2 had two females one in the driver's seat and one in the passenger seat, the driver of V2 was identified as Maria Piepenbrok.

I approached both drivers and asked them if anyone was injured and the passenger of V2 was complaining of her right leg hurting. She was later transported to Freeman Neosho Hospital by the Newton County Ambulance personnel.

I spoke with the driver of V2, Ms. Piepenbrok; she stated she and her friend were traveling west on Highway 60 turning south onto Highway 59 to go to Denny's Restaurant. She said she had a green light and went through the intersection and did not see V1 until she was struck.

I spoke with the passenger of V2, identified as Virna Eloa; she told me she saw they had a green light and that Ms. Piepenbrok went through the light and was struck by V1.

I spoke with the driver of V1, Ms. Poindexter. She stated she was traveling east on Highway 60 and at the intersection she had a green light. She said as she went through the intersection she saw V2 turning in front of her. She said she tried to stop but she struck V2 in the side.

I was later approached by a male identified as Francis Beaver. Mr. Beaver stated he witnessed the crash happen. He explained he was traveling east on Highway 60 turning North onto Neosho Boulevard. He said the turning lane light was red but the straight lane to continue on east on Highway 60 was green. He said that was when he saw V2 turn in front of V1 and they collided.

Due to the damage of V1, I asked Ms. Poindexter which tow company she would like to respond and remove her vehicle. Ms. Poindexter advised she did not care, Affordable Towing responded to the scene and removed V1. Due to the damage to V2 the engine would not start. I asked Ms. Piepenbrok which tow company she would like to respond to remove her vehicle, she asked for Poores Towing. Poores responded and removed the vehicle.

Due to an injury being involved in the crash,a portable breathalyzer test was performed and it did not detect any alcohol in any of the parties involved.
Nothing further.
