9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 06/11/2014 at approximately 1140 hours, I was dispatched to the intersection of Bus. 49 and Baxter Street in reference to a report of an accident.

Upon arrival, I observed a white Buick passenger car and a white Isuzu pickup. Both vehicles were parked on the west shoulder of Bus. 49 facing south.

I made contact with the driver of the Buick Roadmaster, Richard Brewer. Mr. Brewer stated he was traveling south bound on Bus.49 in the inside lane. Mr. Brewer advised he was approximately 100 feet past the intersection with Baxter Street. Mr. Brewer stated his vehicle was hit in the right rear corner as the pickup in the outside lane attempted to merge to the inside lane.

I spoke with Trevor Lornez, the driver of the Isuzu Hombre. Mr. Lornez stated he was traveling south bound in the outside lane when he went to merge in to the inside lane. Mr. Lornez stated he did not see the vehicle beside him until he collided with the rear of it.

Sgt. Humphries, also on scene, advised me he spoke with a Dusty Henderson. Mr. Henderson advised him the Isuzu pickup struck the rear of the Buick as the Isuzu attempted to change lanes.

No measurements were taken due to vehicles being moved off the roadway prior to my arrival.

Nothing further.
