**MAIN NARRATIVE**

On 06-18-2014, I responded to a report of a non-injury accident at North College Street and West Coler Street. Upon arrival, I noticed a tractor stopped in the road that was pulling half of a modular home. I noticed there were cable and telephone lines on both sides of the street that were on the ground in front of 406 North College Street.

I spoke with the driver of the truck, Travis Jackson. Mr. Jackson said he was traveling south on College Street and was slowing down since he was coming up to the stop light at College Street and Coler Street. Mr. Jackson said he saw cable wires fall on both sides of his vehicle. Mr. Jackson said he got out of his truck to look, but he did not see anything on top of the modular home. Mr. Jackson said he didn't know if the cables got caught on the exhaust pipes that were sticking up out of the roof or on the front of the house. Mr. Jackson said he moved the cables out of the road prior to my arrival.

I noticed the Suddenlink cable box and the AT&T phone box was pulled away from the residence at 406 North College Street. I advised Central Dispatch to contact both companies to inform them of what happened. Cnetral Dispatch advised both companies that the cables were down.

Nothing further at this time.
