9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 06-30-2014 at approximately 1825 hours I was dispatched to the area of Center Street and Hillcrest Drive in reference to a Non-Injury traffic crash. A traffic crash report was taken.

I arrived on scene and made contact with the driver of vehicle two, Tammie Schneider. She stated she turned north onto Hillcrest Drive from Center Street. She said as she was traveling north on Hillcrest Drive there was a truck backing up Hillcrest Drive. Ms. Schneider explained it appeared that the truck did not see her and they collided. She said she did not want the young man to get a ticket she just wanted to file a report for insurance purposes.

I spoke with the driver of vehicle one, Codylee Rains. Mr. Rains explained he was moving the truck out of the driveway for his dad. He said he was trying to back the truck up enough so he could pull into the yard and off the roadway. He stated as he was backing up he collided with Ms. Rains because he did not even know she was there. Mr. Rains was very shook up about the incident and was worried he was going to get in trouble.

Both drivers refused medical treatment and both vehicles did not need to be towed.

No further.
