9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On Tuesday, July 1st, 2014 at about 21:32 hours, I responded to 1305 Benton Avenue, to investigate a reported leaving the scene of accident.

Upon my arrival, I spoke with Mr. Michael Kiele, who explained he observed a white Nissan sport utility vehicle back into his neighbor's parked Ford F-150. Mr. Kiele said he observed the vehicle backing quickly from a driveway, cross the roadway, and striking the parked vehicle. He said he observed the vehicle drive a few feet and then the driver exited his vehicle a looked at the parked vehicle. He said the driver returned to his vehicle and left. He said he followed the vehicle to Kwik Mart. He said he asked the driver if he was going to notify the owner of the accident. He said the driver told him there was no damage. Mr. Kiele said he told the driver there was damage and he then returned to notify the owners of the damage.

I spoke with Mr. James Spencer, who explained he was notified by Mr. Kiele of the incident and directed me to his vehicle. I observed Mr. Spencer's white 2007 Ford F-150 pickup parked off the roadway in front of his residence. I observed a large dent to the passenger's side bed side along with a small white paint transfer mark on the tail light lens.

On Tuesday, July 2nd, 2014 at about 04:00 hours, I spoke with Mr. Kelly at Casey's, 930 South Neosho Boulevard. Mr. Kelly explained he was backing out of his driveway and was distracted with his phone and car radio. He said he did not see the parked vehicle until he struck it.

No further.
