9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

I responded to a vehicle crash at North College (Business 60) and Washington Ave. Upon completion of my investigation it was identified that vehicle one, driven by Travis Lair, was following vehicle two as they both traveled northbound on College Street. Vehicle two collided with the rear of vehicle one as vehicle one slowed near the intersection with Washington Ave.

Mr. Lair reported he was not sure what occurred. He stated he was behind vehicle two traveling north. He stated he believed vehicle two slowed or was stopping for traffic, but he was not certain. He reported when he noticed vehicle two had slowed he did not have time to react before the collision.

I spoke with the driver of vehicle two: Billy Barker. Mr. Barker requested medical treatment and was transported by ambulance. Mr. Barker was not available for a statement.

Both vehicles were operable and were released at the scene per the owner's requests.
