9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07-31-2014 around 17:32 hours, I was dispatched to the intersection of Highway 60 and Interstate 49 for a possible injury accident.

Prior to my arrival to the scene, Central Dispatch told me a vehicle had rear ended a motorcycle and the motorcycle rider was complaining of back pain. As I was arriving to the scene, I observed a red motorcycle on the shoulder in the upright position with a male sitting on it. I observed a gray passenger car parked behind it. The Neosho Fire Department was on scene prior to my arrival.

I spoke with the parties involved and asked if anyone would need to be transported to the Hospital due to injuries. The driver of vehicle two, identified as Jessie Beckett said he was going to wait for his wife to arrive on scene and have her follow him to the Hospital to be checked out. The driver of vehicle one stated she did not need medical attention.

I spoke to the driver of vehicle one and identified her by her Missouri driver license as Eizabeth Wilkinson. Ms. Wilkinson stated she was traveling east on Highway 60 and vehicle two was next to her at the first stoplight at the interstate underpass. She said the light turned green and vehicle two switched from the outside lane to her lane. She said she remembered seeing a green light and did not realize the traffic light was red. She said she applied her breaks heavily but could not stop and stuck the motorcycle in the rear end.

I spoke to the driver of vehicle two and identified him by his Missouri driver license as Jessie Beckett. Mr. Beckett said he had just switched to the inside lane and was stopping at the intersection. He said he was stuck in the rear tire before he was stopped at the light; knocking him off the motorcycle. He said after he picked up his motorcycle he could feel pain in his back but did not want to go to the Hospital in the ambulance and that he would wait for his wife to follow him there.

I spoke to a witness identified by his Missouri driver license as Nathan Williams. Mr. Williams said he was behind vehicle one. He said the motorcycle switched lanes and got in front of vehicle one and when they went to stop at the stop light vehicle one stuck vehicle two.

Neither vehicle showed damage and were removed by the owners.
