9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On Thursday, August 7th, 2014 at about 15:44 hours, I responded to a report non-injury traffic crash near the intersection of South Neosho Boulevard and Waldo Hatler Memorial Drive.

Upon my arrival, I observed vehicle one, a 2004 Hyundai Accent, displaying Missouri registration FJ1T0J and Vehicle two, a 2011 gray Chevrolet Silverado 1500, displaying Missouri registration ADM106 parked on the private lot of Price Cutter.

I spoke with driver of vehicle two, Mr. Shawn Dilday, who explained he was traveling north bound on South Neosho Boulevard inside lane, and had passed the intersection of Waldo Hatler Memorial Drive. He said he observed vehicle 1, traveling north bound in the outside lane. He said vehicle 1 then began to merge into his lane of travel striking the side passenger side of his vehicle. He said he hit his brakes, but was unable to avoid the collision with vehicle 1.

I spoke with the driver of vehicle 1, Ms. Stephanie Herring, who explained she really did not what happen, because of how fast the events occurred. She later explained she was traveling north bound on South Neosho Boulevard and was going to US Bank. She said she needed to enter the center turn lane to turn into the US Bank parking lot. She said she looked in her mirrors, activated her turn signal, and began to merge into the center turn lane. She said while she was merging she collided with vehicle 2.

Mr. Dilday and Ms. Herring both explained they were un-injured and refused medical treatment while on scene. Both vehicles were driven from the scene by Mr. Dilday and Ms. Herring.

No further.
