9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 08/11/2014 at approximately 0552 hours, I responded to the intersection of Malcolm Mosby Drive to take a report of a traffic Accident.

The call originally came in as a passerby noticed a motorcycle lying off the roadway in the grass on its side. They advised there appeared to be no one around it. When I arrived on scene to an area approximately 200 feet west of Highway 59 on Malcolm Mosby Drive, I observed a Honda Nighthawk lying on its side off of the roadway.

When I had Newton County Central run the license plate number, they advised the motorcycle was registered to Alex Goewert. Dispatch was able to locate a phone number for him and also made contact with him.

Dispatch advised his wife, Belinda Goewert would be responding to my location. When she arrived on scene she stated her husband was out getting ice cream for them when a deer jumped out in front of him. He attempted to swerve out of the way, causing him to run off the road on the right side.

She advised he called her to pick him up because he was injured. She stated she took him to Freeman West Hospital in Joplin Missouri. Mr. Goewert sustained injuries to his color bone and right arm as a result of the accident.

She stated they have insurance but not full coverage. She stated she had a friend on the way to tow the vehicle.

I have nothing further to report at this time.
