9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 08/23/2014 at approximately 12:38 hours, I responded to the intersection of Interstate 49 and Highway 60 to take a report of an accident.

When I arrived on scene I observed two vehicles were involved. Vehicle one was a 1990 Ford truck bearing Missouri 7HJ485. Vehicle two was a 1999 Honda Accord bearing Missouri KL4R7N. Vehicle one and two were off of the roadway parked just west of where the accident occurred.

Vehicle one was driven by Sam Sharp. Vehicle two was driven by Alyssa Contreras. Vehicle two had a male passenger, David Clines. None of the drivers involved were hurt and both refused medical attention. Mr. Clines also was not hurt.

Mr. Sharp stated he was traveling west bound through the lights when he realized the vehicle in front of him stopped at the yellow light. He stated he was too close to her. Ms. Contreras stated the light turned yellow so she stopped at the light. She stated when she stopped she was hit in the back of her vehicle by vehicle one.

Vehicle one had minor damage to the front bumper; vehicle two sustained rear end damage. Both vehicles were able to drive from the scene.

I have nothing further to report at this time.
