2. Golf Cart	4. Forklift		7. Other (Explain)

9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 08/30/2014 at approximately 10:45 hours, I responded the intersection of Waldo Hatler Memorial Drive and Werneke Drive to take a report of an traffic accident.

When I arrived on scene to Werneke Drive, approximately 300 feet north of Waldo Hatler Memorial Drive, I observed a blue Toyota on its top off of the roadway. The vehicle appeared to be the only one involved and was bearing Missouri DH1R0F.

As I approached the vehicle the driver, Dayton Jordan, raised his hand and stated he was the driver and that nobody else was in the vehicle. He stated he was hurt but fine and refused medical treatment. He had a mark on his chest and neck that is commonly associated with wearing a seat belt.

Mr. Jordan stated he was driving approximately 22 miles per hour when he saw an opossum and swerved to the right to miss it. Once he swerved he ran off of the roadway on the right into the ditch which caused his vehicle to flip.

His vehicle was towed from the scene by Dickson's Towing, due to disabling damage.

I have nothing further to report at this time.

10. REPORTING AND REVIEWING OFFICER INFORMATION
