9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

I spoke with Ryan Moore, driver of vehicle one. Mr. Moore stated he was parked in the driveway at 1301 Benton Ave. He stated he looked for oncoming traffic before he began backing out and stated he did not see any vehicles. Mr. Moore stated his view was blocked by a vehicle parked on the south side of the roadway. He stated as he backed out he was struck by vehicle two.

Mr. Moore stated he was not injured as a result of the traffic crash. I observed the vehicle's rear passenger side fender was damaged as a result of the crash. The vehicle was operable and he drove it from the scene.

I spoke Jerry Shipman, the driver of vehicle two. Mr. Shipman stated he was traveling east on Glenview Place. He stated he did not see vehicle one backing out of the driveway due to a truck and trailer parked on the south side of the road. He stated he was traveling east, just passing the end of the parked vehicle when vehicle one backed out in front of him. Mr. Shipman stated he was unable to stop before he struck vehicle one.

Mr. Shipman stated he was not injured as a result of the traffic crash. I observed the front right corner of the vehicle was damaged as a result of the accident. The vehicle was operable and Mr. Shipman drove it from the scene. It should be noted that vehicle two was a U.S. Postal Service delivery vehicle. The make and model are Gruman LLV and is not required to have license plates.

The vehicles were moved prior to my arrival and no measurements were taken.
