9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09/03/2014 at approximately 12:08 hours, I responded to the intersection of North Jefferson Street and Spring Street, to take a report of a traffic accident.

When I arrived on scene, I observed one vehicle and one bicycle had been involved. Vehicle one was a 1999 Chevrolet Truck bearing Arkansas 585RTF. Vehicle two was an FS Elite Convertible Cruiser bicycle. Vehicle one was driven by Rhonda Cole. The bicycle was driven by Jacklyn Goddard.

Ms. Goddard was lying on the ground next to her bicycle when I pulled up to the incident. The driver of the vehicle was kneeling next to her, propping her head with her hand. Ms. Goddard appeared to have torn her clothes when she hit the ground.

Ms. Cole stated she was carefully exiting the alley way to turn onto North Jefferson Street when she ran into the front portion of the bicycle, causing the rider to be knocked off. Ms. Cole stated she was traveling at idle speed and was attempting to pull out carefully. She stated she did not see the bicyclist.

Ms. Goddard was in shock and was not able to say much. Her fiancé, Anthony Ruede, was riding another bicycle behind her on the sidewalk when the incident happened. He stated they were riding down the sidewalk traveling northbound. He stated she crossed in front of the alley way and was struck by vehicle one. He stated he got stopped in time and was not hit.

Ms. Goddard appeared to be feeling better towards the end of the investigation and was transported by Newton County Ambulance to Freeman Hospital in Joplin Missouri. It did not appear as though she had any major injuries.

A copy of Neosho City Code is included with this report. It states: No skateboard, roller skate, street skate, scooter or bicycle may be operated on any sidewalk...(etc).

I have nothing further to report at this time.
