9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09/05/2014 at approximately 14:32 hours, I responded to the intersection of Interstate Business loop 49 and Highway 86 to a traffic accident. Upon my arrival both west bound lanes were blocked and both drivers were identified in this report as Driver one and Driver two.

I first spoke with Driver one who stated she was traveling south on Mo Hwy 175. Driver one said she made a full stop and looked both directions and thought it was clear to make a left turn onto Interstate Business Loop 49.

Driver one said as she proceeded to cross the two lanes of traffic to make the left turn, she collided with vehicle two. Driver one and her two occupants refused medical treatment. Vehicle one was towed from the scene with heavy front-end damage.

I then spoke with Driver two who stated she had two vehicles in front of her making a right turn onto Mo Hwy 175. Driver two said she proceeded west on Interstate Business Loop 49 when vehicle one pulled into her path. Driver two said she attempted to avoid being hit by merging into the inside lane. Vehicle two was also towed from the scene and one of her occupants was transported to the hospital by a private party.
