9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-07-2014 at approximately 0540 hours I responded to the intersection of Brook Street and Jefferson Street in reference to a traffic accident. An accident report was taken.

I arrived on scene and made contact with the registered owner of the vehicle that was hit, Clinton Wiskur. Mr. Wiskur said he was on the front porch of his residence at 114 West Brook Street when he observed a dark colored passenger car backing out of the driveway at 116 West Brook Street. He said the car continued to back up onto Brook Street and backed into the front of his truck. Mr. Wiskur explained the vehicle stopped for a minute and then went west on Brook Street. The vehicle stopped at the stop sign at Brook Street and Jefferson Street and turned right onto Jefferson Street. He said after the vehicle turned onto Jefferson Street it stopped and was still sitting there when I arrived. Mr. Wiskur said he believed the driver and at least one passenger were still in the vehicle.

I went over to the vehicle, parked on Jefferson Street, and saw that it was Maroon in color Toyota Scion that was not occupied by anyone. I went to the residence at 116 West Brook Street to see if I could make contact with the possible driver of the vehicle. I knocked on the door a few times and a male answered the door, he was identified as Thorne Handy. I asked if he was the owner of the Toyota Scion, he said he was. I asked him what happened he said he accidentally backed into the truck parked on Brook Street. I asked Mr. Handy why he did not tell the owner of the truck that he backed into it, he said it was early in the morning and he was going to wait until they got up to let them know, thats why he pulled onto Jefferson Street and went back inside to wait.

He explained he was bringing his friend home to 116 West Brook Street and after he dropped him off he was backing out of the driveway, he said he could not see very well out of the back window of his vehicle because of the dew all over it. Mr. Thorne said he did not even see the truck and backed into the front of the truck. I asked Mr. Handy if he needed medical attention and he said he did not.

I have no further at this time.
