9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-09-2014 at 1618 hours I responded to the intersection of Neosho Boulevard and Walnut Drive in reference to a traffic accident. An accident report was taken.

I was responding to the scene when I was informed by Central Dispatch that both parties involved in the accident moved to the parking lot of Pizza Hut.

I arrived on scene at Pizza Hut and made contact with both drivers, I asked both drivers for their insurance information and drivers license. I spoke with one of the parties involved while the other party went to retrieve their information. She was identified as Kylee Holland by her Kansas drivers license, she explained she was traveling north on Neosho Boulevard when her vehicle was struck on the back drivers side by a truck. Ms. Holland said she did not know where the truck came from but it appeared he was pulling onto Neosho Boulevard heading north. Ms. Holland said a van pulled into the parking lot when both vehicles involved in the accident pulled in, she said the driver of the van said she witnessed the accident. I asked Ms. Holland if she needed any medical treatment, she said she was fine and did not need medical attention.

I spoke with the witness about the accident; she was identified by her Oklahoma driver's license as Kimberly Nations. I asked Ms. Nations what she observed, she said she was traveling north on Neosho Boulevard approaching Walnut Drive. She explained she saw a silver colored passenger car traveling north in front of her, then all of the sudden a white truck pulled out of the Arby's parking lot turning left and crashed into the silver car in front of her.

I spoke with the driver of the truck involved; he was identified as Duff Calkins by his Missouri driver's license. Mr. Calkins explained he was at the exit for the Arby's parking waiting to make a left turn onto Neosho Boulevard. He stated he thought it was clear so he proceeded to pull onto Neosho Boulevard, he said as he was making his left turn he struck the silver passenger car on the back driver's side. He said he did not even know the car was there and did not know how he did not see it before pulling out. I asked Mr. Calkins if he needed medical attention, he said no.

No further.
