	5. Animal Drawn Vehicle / Animal Ridden For Transportation
	6. Low Speed Vehicle
	7. Other (Explain)

9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-25-2014 at 14:42 I was dispatched to the intersection of Bus 49 and US 60 in reference to a traffic accident.

When I arrived I contacted the driver of vehicle #2 who stated she was traveling south on Bus 49 highway and was in the process of making a westbound (right) turn onto US 60 when she slowed down and was stuck in the rear by vehicle #1. The passenger in vehicle #2, Keith Titus, complained of back pain, but was not transported to the hospital.

I spoke with the driver of vehicle #1 who stated the same as driver #2. There was no visible damage to either vehicle. Both vehicles were driven from the scene.

See Lt. Kennedy's supplemental report.

No further. *JBD 104*

**SUPPLEMENTAL NARRATIVE - VEHICLE 1 STATEMENTS** **OFFICER: DAK 9/25/2014**

I arrived to assist Sgt. Baird with a traffic accident. I started obtained information from the occupants of vehicle # 1.

I identified the driver as, Ms. Rachel Lynn Young and the passenger as Mr. Robbie Dean Aventi-Loredo.

Ms. Young stated she was making a right turn onto US 60 Highway and observed vehicle 2 begin to proceed forward. At that point, she looked back to the east for motorists' continuing westbound. Ms. Young stated while she was looking for other vehicles, she felt a bump. Ms. Young stated she then turned back and seen she had bumped another vehicle.

Mr. Aventi-Loredo stated he was eating and didn't see the accident however; they did not strike the vehicle very hard. He stated he did drop his sandwich however; he has a slipped disc in his back and the force of the accident was so light it didn't even hurt him.

I observed no damage to this vehicle cause by this accident.

I have nothing further at this time.

10. REPORTING AND REVIEWING OFFICER INFORMATION
