9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-25-2014 around 17:13 hours, I was dispatched to the area of Highway 60 and Kodiak Road for a four vehicle accident.

Upon my arrival to the scene, I observed four vehicle's sitting in the west bound lane of Highway 60 and multiple people standing on the shoulder of the road. I made contact with everyone that was involved in the accident and asked if anyone would need medical treatment. The passenger from vehicle four and all party's inside vehicle two stated they were going to leave in a personal vehicle to go to the hospital to be checked out just to be safe.

I made contact with the driver of vehicle one and identified him by his Missouri driver license as Nicholas Charron. Mr. Charron said he was traveling west on Highway 60 and the sun was in his eyes and he could not see that well. He said he thought the vehicles in front of him were moving so he started to accelerate, and his vehicle struck vehicle two in the rear end. He said when he struck vehicle two it was pushed into vehicle three causing it to lurch forward into vehicle four.

I spoke with the drivers of vehicle's two, three and four, they all stated they were sitting still in traffic and they were struck from behind. They all said when vehicle one struck vehicle two it caused a chain reaction.

Due to the amount of damage to vehicles one and three, Dickson Towing was contacted by Central Dispatch. Dickson Towing responded to the scene and collected the vehicles. Vehicles two and four were removed from the scene by owners.

Nothing futher.
