9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

09/30/2014 at around 0755 hours, I was dispatched to the intersection of S. Neosho Blvd. and W. Hill St. for a traffic accident.

Upon my arrival, I observed two vehicles's pulled over off the road on W. Hill St. I observed the registration for Vehicle 1 and Vehicle 2. Vehicle 1's Missouri Registration was SL5Z9Z and Vehicle 2 Missouri registration was WH1F5M.

I made contact with Driver 1 and identified her to be Delanie Dickens. Driver 1 said she was traveling southbound on S. Neosho Blvd. She said she pulled into the turn lane for the school at W. Hill St. She said she looked away for a minute and when she looked back she hit Vehicle 2. There was damage to the front of Vehicle 1.

Vehicle 1 had a passenger Robert Novak. He did not appear to have any injuries.

I made contact with Driver 2 and identified her to be Dawn Green. Driver 2 said she was in the turn lane facing south on S. Neosho Blvd. at W. Hill St. She said she had stopped and before she could turn Vehicle 1 hit her. There was no damage but some scratches on Vehicle 2 that I could see.

There were three passengers in Vehicle 2. They were Kelsey Green sitting in the passenger front seat, Caden Green sitting in the second seat behind the driver, and Brok Logan sitting in the second seat behind the passenger. Both Caden Green and Brok Logan were transported to Neosho Freeman Hospital due to their necks hurting after the accident.

Nothing further at this time.
