9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 10/14/2014 at approximately 1800 hours, I responded to the intersection of West Spring Street and North Jefferson Street to take a report of a traffic accident.

When I arrived on scene to the intersection, I observed two vehicles were involved and both vehicles were relocating to a nearby parking lot. Vehicle one was a maroon Buick passenger car bearing Missouri FL6F8L. Vehicle two was a black Volkswagen Beetle bearing Missouri CC67Z.

Vehicle one was driven by Amanda White Eagle. Vehicle one had three juvenile female subjects in the vehicle as well. All three are listed on the person's page. Vehicle two was driven by Robert Coen. Vehicle had one passenger, Susan Coen.

No one in vehicle one was hurt and there was very little damage to the front of it. Ms. White Eagle stated one of her kids has a medical issue and was coughing hard when she approached the intersection. She stated she looked back at her daughter to see if she was okay and soon realized the light was red. She was unable to stop in time and drove into the side of vehicle two.

Mr. Coen stated on scene that he and his wife were both fine and did not need medical attention. He stated he was driving through the intersection and was hit by vehicle one. He stated vehicle one ran the red light. Later in the evening Mr. Coen stated he and his wife visited the emergency room due to being sore. He stated they possibly have mild whiplash. Vehicle one sustained minimal damage.

Due to heavy traffic and vehicle moving, no measurements were taken on scene.

I have nothing further to report at this time.
