9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 10-20-2014 around 11:17 hours, I was dispatched to the intersection of Business Highway 49 and Highway 60 for an injury accident.

Prior to my arrival Central Dispatch told me that the parties involved had moved off the roadway and into the Steven Christopher's parking lot.

Upon my arrival to the scene, the Neosho Fire Department and the Newton County Ambulance had already arrived on scene. I observed a female standing next to a white Sport Utility with Missouri registration #8SV732. The female was identified as Deanna Gaither, the driver of vehicle one. I also observed a female sitting in the driver seat of a minivan, vehicle two, with Missouri Temp Tag registration #D21505, the female was identified by her Missouri driver's license as Megan Jennings. Ms. Jennings appeared to be having trouble remembering her personal information and had trouble processing questions.

I spoke with Ms. Gaither and she said she was traveling on Business Highway 49 behind vehicle two. She said they moved into the turning lane to turn West on Highway 60. Vehicle two started to move and turn onto the road but had stopped again because of another vehicle. She said she struck the rear end of vehicle 2 but was not moving fast when they collided. I observed Ms. Gaithers vehicle to have minor damage to the front end and she was able to remove it from the scene.

I spoke with Ms. Jennings and she told me that she started to pull out and noticed another vehicle coming. She said when she went to stop again she was struck in the rear end which cause little damage to the rear tailgate. Ms. Jennings was taken from the scene by the Newton County Ambulance and transported to the Freeman West Hospital to be checked out because she was pregnant.

Ms. Jenning's daughter and vehicle was released to Ms. Jennings mother at the scene. Ms. Jennings mother information was not collected due to her hurrying to follow the ambulance.
