9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 10-28-2014 around 07:50 hours, I was dispatched to the intersection of North High Street and West Coler Street for a non injury crash.

Prior to my arrival to the scene, Central Dispatch told me a Maroon Ford Explorer, later identified as vehicle two and a white Chevrolet Uplander, later identified as vehicle one were involved in the traffic crash. Central Dispatch stated both vehicles had moved off of the roadway to a nearby parking lot.

Upon my arrival, I observed two females standing beside vehicle one. I made contact with the females and identified them as Cheryl Bacal, the driver of vehicle one and Melissa Hembree, the driver of vehicle two. I asked them both if they would need any medical attention and they said no.

I spoke with Ms. Bacal and she said she was stopped at the stop sign on North High Street. Ms. Bacal explained a semi truck was in the middle turn lane of West Coler Street waiting to turn left onto High Street next to where she was parked. Ms. Bacal said the semi truck would not turn and the truck driver motioned her to go to allow himself room to turn. Ms. Bacal said as she crossed in front of the semi truck she noticed vehicle two traveling east bound on Coler Street in the east bound traffic lane. She said she tried to stop but struck vehicle two in the driver side rear panel and rear tire.

I spoke with Ms. Hembree and she said as she was traveling East on Coler Street. Ms. Hembree said there was a semi truck parked in the turning lane making a left turn onto High Street. Ms. Hembree said as she approached the semi truck she noticed vehicle one crossing the street. Ms. Hembree said she tried to avoid colliding with vehicle one by going towards the shoulder of the road, but was struck in the rear portion of her vehicle. Ms. Hembree said when she was struck her vehicle began to slide sideways which made her jump the curb with her vehicle.

Vehicle two was unable to be driven due to disabling damage. Ms. Hembree stated she did not have a preference as to which tow company to use. Ron's towing responded and removed vehicle two. Vehicle one was able to be driven and Ms. Bacal removed it from the scene.

Vehicle one had damage to the front portion on the vehicle and vehicle two had damage to the driver side rear portion of the vehicle. The damage to both vehicles was consistent with the stories provided by both drivers.

Nothing else follows.
