9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 11-19-2014 at approximately 1818 hours I responded to the area of Brown Street and National Guard Drive, in reference to a traffic crash.

I arrived on scene and made contact with the Veronica Marroquin, she was driving a white in color Lexus ES. I asked her what happened, she said she was stopped at the stop sign on Brown Street and she was going to be turning left onto National Guard Drive. Ms. Marroquin explained it was very dark at the intersection and she thought the intersection was clear so she attempted to make the left turn. She went onto say that as she started into the intersection she collided with another vehicle that was making a left turn off National Guard Drive onto Brown Street. She said she did not even see the vehicle coming east or she would not have attempted to turn.

I spoke with the driver of the other vehicle he was identified by his Missouri driver's license as Lou Crittenden. Mr. Crittenden said he was traveling east on National Guard Drive and was going to make a left turn onto Brown Street. Mr. Crittenden said he saw the vehicle stopped at the stop sign but did not think they were going to pull out so he made the left turn. He explained the vehicle at the stop sign pulled away from the stop sign and he was unable to avoid the collision, he was struck by the other vehicle in the front driver's side.

Both parties refused medical treatment and the two vehicles were driven away from the scene.

No further.
