9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On Thursday, December 4, 2014 at approximately 1120 hours, Officer Himmelsbach and I reported to the intersection of West Harmony Street and South Neosho Boulevard in reference to a traffic accident. I arrived on scene and saw two vehicles parked in the shoulder of the turn lane facing west on West Harmony Street. I made contact with the driver of Vehicle 1, James Vonbehrens, and the driver of Vehicle 2, Maria Mendoza. I identified them both by their Missouri driver's license.

Mr. Vonbehrens said he was in the turn lane turning west on Harmony street behind vehicle two. He said both drivers were watching another vehicle traveling west on Harmony Street who appeared to be continuing through the intersection. Mr. Vonbehrens said at the last minute that vehicle turned south on Neosho Boulevard without signaling. He said he began to make the turn onto Harmony Street when he rear ended Vehicle 2. He said he was still looking over his left shoulder when he started to make his turn, and his wife yelled at him to stop. Mr. Vonbehrens said he attempted to stop, but since the ground was wet from the rain, he was unable to stop before hitting Vehicle 2. While I was on scene, the road did not appear to be wet enough to cause a vehicle to have trouble stopping. I did not feel the road conditions were a contributing factor to this accident.

Ms. Mendoza said she was waiting to turn west on Harmony street and saw a vehicle coming west on Harmony street but did not see a turn signal. She said at the last minute, that vehicle turned their signal on and turned south onto Neosho Boulevard. She said at the time the driver of Vehicle 1 rear ended her, she was not moving.

There were no apparent injuries to either driver or either of the passengers in the vehicles. Vehicle 1 appeared to have the most damage. Mr. Vonbehrens said it was driving just fine and he did not need a tow truck. Vehicle two had minor damage to rear. Ms. Mendoza said she did not need her vehicle towed.

I have nothing further at this time.
