9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 12/15/2014 around 0630 hours officers were dispatched to a traffic crash in the area of South Neosho Boulevard and Business Highway 49.

I arrived on scene at South Neosho Boulevard and Business Highway 49 and observed two cars pulled off the roadway. No injuries were reported and neither car needed to be towed

I made contact with John Jackson, driver of a white 2000 Subaru Legacy displaying Missouri registration of HJ3P2S(vehicle 2). Mr. Jackson explained he was traveling west on S Neosho Boulevard and pulled into the far left turn lane. Mr. Jackson stated the traffic signal changed to yellow and he slowed to a stop. Mr. Jackson said at this time he was struck from behind by a white minivan pushing his vehicle into the intersection. Mr. Jackson stated at this time he pulled over to the side of the road.

I made contact with Isaac Velazquez, driver of a white 2000 Ford Windstar displaying Arkansas registration of 807TNP(vehicle 1). Mr. Velazquez stated he was traveling west on S Neosho Boulevard and moved into the far left turn lane. Mr. Velazquez explained he saw the white Subaru in front of him stop but could not stop in time to avoid hitting the car. I ask Mr. Velazquez if he slide on the wet road. He said he was and added he couldn't turn to avoid the car while sliding either. Mr. Velazquez stated he pulled over to the side of the road to speak with the other driver.

No additional witnesses were present at the scene.

While obtaining Mr. Velazquez's information he gave me an Illinois non driver ID card. I asked Mr. Velazquez if he had a current driver's license. He explained he did but it was expired from Illinois. Mr. Velazquez added he tried to get a Missouri drivers license, but stated the DMV told him to go the police department, so he did not go. I asked Mr. Velazquez for his proof of his insurance. Mr. Velazquez stated the vehicle was his Mother-in-laws and he didn't know where the Insurance card was. Mr. Velazquez did provide an insurance company name and number, they have been added to this report.

From my investigation and driver statements I believe the accident was caused by vehicle 1 following too closely.

Nothing further.
