9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 01/01/2015 at approximately 21:07 hours, I responded to the intersection of Highway 60 and North Business 49 to take a report of a traffic accident.

When I arrived on scene, I observed two vehicles were involved. Vehicle one was a 2005 Hyundai Santa Fe sports utility vehicle bearing Missouri YF8R2A. Vehicle two was a 2007 Chevrolet Aveo bearing Missouri FJ7 J6U. Vehicle one was driven by Sendis Edward. Vehicle two was driven by Holli Sampson.

I made contact with Ms. Sampson. Ms. Sampson stated she was not injured and did not need medical attention. She stated she was traveling east through the intersection when vehicle one drove into the driver's side of her vehicle. She stated she observed vehicle one driving southbound in the northbound lane before striking her vehicle. She said the driver drove through the intersection onto South Business 49 before driving into her. She had two passengers in the vehicle with her, Lucas Youngblood and Kayden Youngblood. She said bother were not hurt.

I spoke to the driver of vehicle one. He stated he accidentally drove the wrong direction and was attempting to cross the intersection to get into the correct lane. He said he got confused because it was dark and misting outside. He stated he was not hurt and did not need medical attention. Mr. Edward did not appear to be under the influence of any kind of intoxicants. He said he was on his way home before he drove into vehicle two.

Both vehicles were towed due to disabling damage. Vehicle one was towed by Dickson Towing. Vehicle two was towed by Ron's Towing.

I have nothing further to report at this time.
