9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 01-10-2015 I was dispatched to the intersection of Highway 60 and Kodiak Road in reference to a traffic crash. A traffic crash report was taken.

I arrived on scene and made contact with the driver of vehicle 1 (V1), Reiden Tizon (D1). D1 stated he was making a right turn off of Kodiak Road onto Highway 60 to head west bound. D1 explained he slowed down at the yield sign and did not see any vehicles; so he attempted to pull out. D1 said he did not see vehicle 2 (V2) until it was too late. D1 stated he struck the passenger side of V2.

I made contact with the driver of V2, Shirley Whittington (D2). D2 stated she was traveling west on Highway 60 passing Kodiak Road. D2 explained the traffic light for her was green and she continued through the intersection. D2 said V1 made a right turn off of Kodiak Road and struck the passenger side of her vehicle.

The damage to both vehicles coincided with both drivers statements. Based on the physical damage to both vehicle and the driver statements; I believe D1 failed to yield the right of way while making the right turn onto Highway 60 from Kodiak Road.

Both vehicles were removed by the drivers and no one reported any injuries.

Nothing else follows.
