9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

I responded to the intersection of US Highway 60 and MO Highway 59 in reference to a vehicle crash. Upon my arrival I met with three vehicle drivers. From the investigation I determined that vehicle one, was traveling west on US Highway 60, entering the turn lane preparing to make a left turn. Vehicle two and vehicle three were traveling north on MO Highway 59. Vehicle two was in the outside lane with vehicle three near its left in the inside lane of traffic. Vehicle one failed to stop at the red light and entered the intersection, colliding with vehicle two. Vehicle two swerved to the left to attempt to avoid the collision and struck vehicle three.

The driver of vehicle one, Robert Cooper, stated he tried to stop at the red light but due to the weight of his vehicle and the wet road conditions he couldn't stop. Mr. Cooper reported sliding into the intersection and striking vehicle two.

The driver of vehicle two, Ashley Harris, stated she attempted to swerve to the left to avoid vehicle one. She was struck in the right side by vehicle one and then struck vehicle three with the left side of her vehicle.

The driver of vehicle three, Jerry Pittman, reported being in the inside lane traveling north when vehicle two was struck and swerved into his vehicle.

No injuries were reported at the scene and none of the vehicles required tow.
