9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On January 13th 2015 at approximately 1738 hours, I responded to the area of Business Highway 49 and Ridgewood Road to take a report of a two vehicle accident.

Once on scene I observed two vehicles sitting on Ridgewood Rd. I made contact with the driver of vehicle one and identified her as Allyson Meyer from her valid Virginia drivers license. Ms Meyer stated that she was following vehicle one and knew she was slowing to turn. Ms. Meyer stated she saw her turn signal, but apparently was not paying close enough attention. I ask Ms. Meyer if she was injured and in need of medical attention. She stated she was not injured. Ms. Meyer stated that she did not slow down fast enough behind vehicle two.

I made contact with the driver of vehicle two and identified her from her valid Missouri driver's license as Tracie Mitchell. Mrs. Mitchell stated that she had turned on her right turn signal and was slowing to turn onto Ridgewood Road when she was hit from behind. I asked Mrs. Mitchell if she was injured and she stated that her back was a little stiff. I asked her if she would like an ambulance to be called to check her out. She stated she did not need an ambulance.

I continued my investigation and documented the damage to each vehicle. Vehicle one is 2007 BMW 3351 white in color, bearing Virginia license plates of WYM-3815. Damage to vehicle one is on the front right, including the right side fender.

Vehicle two is a 2002 black in color Chevrolet 2500 pickup truck, bearing Missouri license plates of OYG-779. Damage to vehicle two consists of damage to the back of the pickup truck.

Nothing else to report.
