9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 01-21-2015 at approximately 1547 hours I responded to the area of Highway 59 and AA Highway, in reference to a single vehicle traffic crash. A traffic crash report was taken and a male subject was taken into custody for driving while intoxicated.

I arrived on scene and could see there was a tan in color BMW off the roadway in the ditch next to AA Highway by the east bound traffic lane, the vehicle was facing north as if the driver was trying to pull back on the roadway. I made contact with the driver of the vehicle identified by his Missouri driver's license as Kenneth Goddard. I could see Mr. Goddard had blood all over his shirt, I asked him if he needed medical attention for the bleeding, he said he did not. I asked why he was bleeding he said it was not from the wreck, it happened when he punched his back window out after the wreck.

I asked Mr. Goddard what happened to cause the crash, he stated he was traveling south on Highway 59 going to his home in Anderson, MO. Mr. Goddard explained he was approaching AA Highway when a small black passenger car pulled out from AA Highway in front of him, he said he avoided the hitting the car. He said he lost control and drove off the roadway hitting the stop sign at AA Highway and Highway 59, and then continued off the roadway trying to gain control of his vehicle. Mr. Goddard stated he finally came to rest on the south side of AA Highway facing north. I asked Mr. Goddard if he could provide any further information on the vehicle that pulled out in front of him, he said he could not even tell me which way the vehicle went, so he couldn't give me any further information.

I have no further at this time.
