9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 01/27/2015 at approximately 15:26 hours, I responded to the intersection of South Neosho Boulevard and Stadium drive to take a report of a traffic accident.

When I arrived on scene, I observed two vehicles were involved. Vehicle one was a 2007 Ford Fusion bearing Missouri UK0H5U. Vehicle two was a 2003 Lexus ES300 bearing KF8C0W. Vehicle one was driven by Tony Ziegenfuss. Vehicle two was driven by Jaunita Reneau. Vehicle one was already moved to a nearby parking lot before I arrived.

Ms. Reneau was visibly shaken and still sitting in her vehicle when arrived. She stated she was not injured and did not need medical attention. She stated she was slowing for a vehicle in front of her that appeared to be slowing down. She stated next thing she knew, she was struck in the rear of her vehicle by vehicle one. Vehicle two barely had any damage to the rear bumper and was able to drive from the scene.

Mr. Ziegenfuss stated he was driving northbound when he saw vehicle two slowing down. He stated it was too late by the time he noticed and drove into the rear of her vehicle. He stated he moved his vehicle off of the roadway due to heavy traffic. He stated his license is revoked and already called a driver to come get him and his vehicle. Vehicle one had minimal front end damage and was able to drive from the scene.

I have nothing further to report at this time.
