9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 02/08/2015 at approximately 1619 hours, I responded to the 700 block of Park Street in reference to a traffic accident.

I arrived at 710 Park Street and made contact with Kyle Hancock. Mr. Hancock stated he was backing out of the driveway and into Park Street when his vehicle was struck in the rear by a white F-150 pickup which was also backing out from a residence across the street. Mr. Hancock's Vehicle 1 sustained damage to the rear bumper and right corner of the rear bumper. Mr. Hancock's vehicle had been moved back into the driveway but stated the impact did occur on Park Street. Mr. Hancock stated he was not injured and provided insurance information.

I spoke with Tony Bussey, driver of vehicle 2 who stated that he was backing out of the driveway at 717 Park Street. Mr. Bussey stated as he backed out into the street, Mr. Hancock made impact with his vehicle while also backing. Mr. Bussey's vehicle 2 sustained a light scratch on the rear bumper and he was not injured.

A witness, Nathan Huber identified himself as Mr. Hancock's brother. Mr. Huber resides at 710 Park Street and stated that as Mr. Hancock backed out into Park Street, Mr. Bussey backed out from the house across the street and the (2) vehicles made impact in the street.

Based on the statements given and damage to both vehicles, it appears both vehicles were backing simultaneously and made a rear to rear impact on Park Street. Neither vehicle was disabled due to damage.

Nothing further.
