9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

I responded to Highway 60 at Oakridge Drive for a three vehicle crash. From the investigation I determined vehicle one, driven by Samuel Harris, had been westbound on Highway 60 approaching the intersection. Upon approach the light had changed to red but Mr. Harris continued into the intersection. Vehicle two, driven by Sheree Cook, had been at the intersection and began across highway 60 traveling north. Upon seeing vehicle two, vehicle one swerved to the right but he couldn't avoid the collision. The vehicles struck and diverted. Vehicle one traveled to the north west and drove onto the hood of vehicle three which was stopped at the intersection facing south.

Mr. Harris was not sure what happened and stated he couldn't fully remember if the light was red or yellow. He stated he thought he was entering on a yellow light but it may have been red. Mr. Harris stated he couldn't avoid striking vehicle two.

Ms. Cook reported she had been at the traffic light and began crossing when her light was green. She said it had been green for a few seconds and she was not entering quickly. She said she was hit in the front right and was not sure what occurred afterward.

The driver of vehicle three, Gallia Peters, reported being stopped facing south. She said she saw vehicle two coming toward her on a green light. She stated vehicle one entered on a red light and struck vehicle two. Ms. Peters stated vehicle one then hit her vehicle.

There were two identified witnesses, Joshua Garrett, who reported to be on Highway 60 traveling east, and Richard Puckett who stated he was on Oakridge Drive behind vehicle three. Both stated the light was green for northbound traffic when vehicle one entered the intersection.

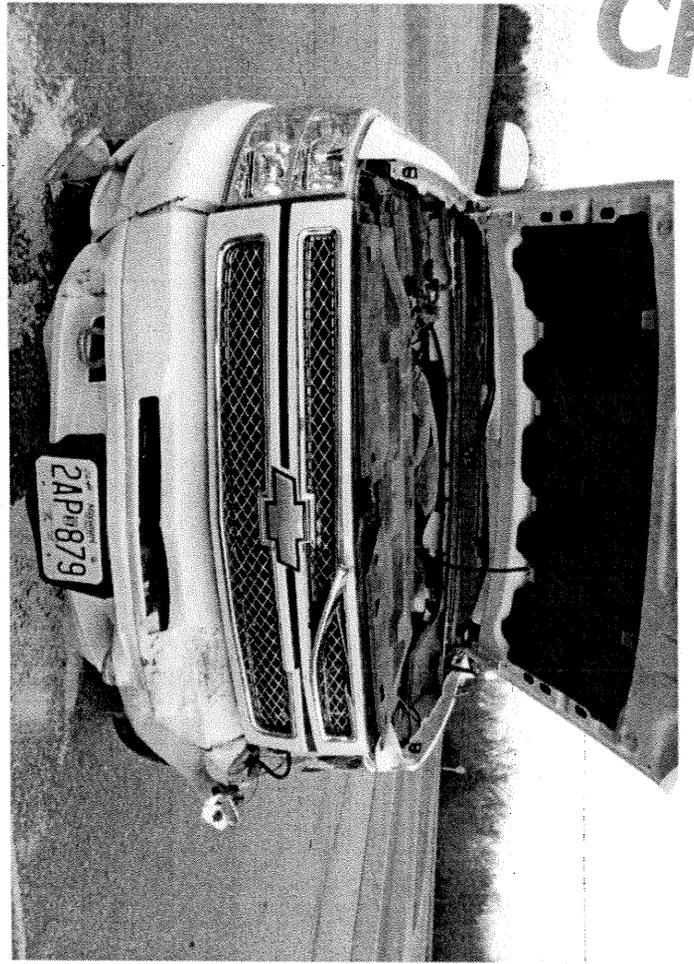

The occupants of vehicle two were transported for medical attention via ambulance. Vehicle one and two both required tow. No other injuries were reported.
