9. NARRATIVE / STATEMENTS (if additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 02-16-2015 at approximately 1200 hours a traffic crash occurred at the intersection of North Jefferson Street and West Spring Street. A traffic crash report was taken.

I arrived on scene and saw a tan in color Chevy Tahoe in the intersection facing northwest and a maroon in color Toyota Tacoma facing north on Jefferson Street. I made contact with both drivers and asked them if the vehicles could be moved into the parking lot of the Juvenile Office. They both said their vehicles were still operable and they would move them out of the intersection.

I spoke with the driver of the Toyota Tacoma, identified as Donald Royer by his Missouri driver's license. Mr. Royer said he was traveling north on Jefferson Street approaching west Spring Street, he explained the road was very slick do to all the snow and ice on the ground. He went on to say as he got closer to the intersection he saw a SUV traveling west on Spring Street approaching the intersection. Mr. Royer said he was trying to come to a stop because he had red light. Mr. Royer stated he began to slide towards the intersection and was not coming to a stop so he tried to avoid the SUV by turning his vehicle away from the oncoming vehicle. Mr. Royer explained he was not able to avoid colliding with the SUV and the back of the driver's side of his truck struck the back passenger side of the SUV.

I made contact with the driver of the Chevy Tahoe, identified as William Johnson by his Missouri driver's license. Mr. Johnson said he was traveling west on Spring Street approaching north Jefferson Street, he stated as he got closer to the intersection he saw a pickup truck coming down the hill traveling north on Jefferson Street. Mr. Johnson went on to say he could see the truck was having problems coming to a stop because of the slick conditions on the roadway. Mr. Johnson explained as he got closer he saw the truck was not going to be able to stop at all so he tried to avoid colliding with the truck by turning his vehicle towards the north. Mr. Johnson explained he was not able to avoid the truck and he was struck in the back passenger side.

Both parties refused medical treatment and they were able to drive their vehicles from the scene.

No further.
