9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 02-23-2015 at approximately 0918 hours a traffic crash report was taken in the area of south College and west Dewey Street.

I was in the area of south College Street and west Dewey Street trying to find a suspected suspended driver I saw driving. I was at the stop sign at Dewey Street and College Street waiting to see if the car would show back up in the area. I decided to turn left onto College Street going south towards west North Street, and then I observed the vehicle I was looking for traveling north on College Street. The vehicle drove past me as I was coming to a stop at the intersection of south College Street and west North Street, I knew the driver of the vehicle to be Jacob Roller. I watched the vehicle in continue to travel north and then I saw a truck pull into the intersection at Dewey Street and College Street, the truck was traveling west. Mr. Roller tried to avoid colliding with the truck but was not able to and struck the front driver's side of the truck.

I turned my patrol car around and went to make contact with the subjects involved. I asked both parties if they needed medical attention, both parties refused medical treatment. I went to speak to Mr. Roller about the accident, he stated he was traveling north on college when the truck pulled out in front of him. Mr. Roller said he did try to avoid hitting the truck but was unsuccessful and hit the front driver's side. I asked Mr. Roller if he was going to need a tow truck to come get the vehicle, he said he could drive it and did not need one. I also determined that Mr. Roller had a valid driver's license.

I spoke with the driver of the truck; he was identified as James Stephens by his Missouri driver's license. I asked Mr. Stephens what happened; he stated he just was not paying attention when he pulled away from the stop sign. He stated he pulled out in front of the car and they hit the driver's side of his truck, He stated he did not even have a chance to try and avoid the crash. Mr. Stephens requested that Poore's Auto Salvage come get his truck because it was not going to be drivable. Poore's arrived on scene a short time later and transported Mr. Stephens truck.

Based on my investigation Mr. Stephens failed to yield the right of way and Mr. Roller's vehicle collided with his.

I have no further.
