9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 02/25/2015 at approximately 15:24 hours, I responded to an area near the intersection of West South Street and North Business 49 to take an accident report.

When I arrived on scene, I observed two vehicles were involved. Vehicle one was a black in color Ford sports utility vehicle bearing Missouri SJ9Z5F. Vehicle two was a silver in color Jeep sports utility vehicle bearing Missouri PJ6R1F. Vehicle one was driven by Sherry Browning and vehicle two was driven by Richard Fallatt. Vehicle one had a female juvenile passenger who is listed on the persons page of this report.

I spoke to Ms. Browning. Ms. Browning stated she had to pause for traffic further back at another curve then continued on towards Business 49 and was struck by vehicle two. She stated she remembers hitting her horn prior to the incident because of how close both vehicles were to each other on the curve. She stated she thought it looked like his (D2) head was faced downward like he was possibly looking at something. She stated she does not know the speed she was traveling at and did not know what the speed limit on that stretch of road was. She stated she was not injured and did not need medical attention. She stated her juvenile passenger was also not injured. Vehicle one was towed due to disabling damage by Dickson's Towing.

After speaking with her I spoke to Richard Fallatt. Mr. Fallatt stated he was rounding the curve when he heard a horn honking and vehicle one come into his lane, striking his vehicle. He stated he was doing no more than 5 miles per hour due to just turning off of Business 49. He stated he stayed in his lane around the corner. He stated he was not injured and did not need medical attention. His vehicle was towed due to disabling damage by Poore's Towing.

Pictures of the accident were taken and are included with this report. Due to the tightness of the curve I was unable to determine who crossed over into the oncoming lane.

I have nothing further to report at this time.
