9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

Upon my arrival to the scene at North Street and Jefferson Street, I observed two females standing on the side of the roadway. I made contact with one female and identified her by her Missouri driver license as Stacy Crowder. She told me she was the driver of the vehicle later determined to be vehicle 1. Ms. Crowder said she was behind vehicle 2 that was stopped at the stop sign waiting to turn left onto Jefferson Street. She said vehicle 2 started to make a left turn onto Jefferson Street but slid forward on the ice and missed the turn. She said when vehicle 2 moved into the intersection she began to move forward toward the stop sign. She said as she got to the stop sign vehicle 2 put her reverse lights and began to back up in order to retry the left turn onto Jefferson Street. Ms. Crowder explained as she was trying to stop at the stop sign her vehicle started sliding on the ice. She could not get her vehicle to stop before losing control, sliding sideways and striking vehicle 2.

I spoke to the driver of vehicle 2 and identified her by her Missouri driver license as Harriet Hamilton. Ms. Hamilton said she went to make a left turn onto Jefferson Street but her vehicle slid forward instead of turning. She said she got her vehicle stopped and she put her vehicle in reverse to back up and try and make the turn again. Ms. Hamilton stated while she attempting to make the left turn for the second time; vehicle 1 slid on the ice into her vehicle.

It should be noted that at the time if the traffic crash, the roadway's were extremely icy.

Nothing further.
