9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On this date I responded to 3614 Second St. in reference to a vehicle that had collided with an unoccupied parked motor vehicle. The initial report indicated this to be a non-injury accident and prior to my arrival the vehicle had left the scene.

While responding to the scene of the accident, I located the vehicle that had left the scene, parked a few blocks away from the original accident scene. I made contact with this vehicle and have identified this vehicle as Vehicle one in this report. I also made contact with a distraught female driver identified as Ms. Lauren Dickey that is identified as Driver one in this report.

Driver one said she had hit a parked motor vehicle that was in the roadway on Second St. Driver one said she left her name with the owner of the vehicle and then got scared and left. Driver one said she drove a few blocks away to call her grandmother to report the accident.

Driver one told me that she was in the area looking for an apartment and had hit the parked vehicle that was in the middle of the street.

I requested Sgt. Fielen to respond to the original scene to make contact with the owner of the parked motor vehicle and to provide me with the location of where the vehicle was sitting. Sgt. Fielen arrived at the original scene and informed me that vehicle was parked on the west side of the roadway facing north. Sgt. Fielen said the vehicle was partially off the roadway and there was more than 10' of roadway for traffic to pass without any interference.

Sgt. Fielen made contact with a Ms. Heather Bentley and obtained her and the vehicle information for this report. Ms. Bentley reported to Sgt. Fielen that Driver one did provide her name but nothing further before leaving the scene.

Driver one declined medical treatment and had minor damage to the right front of her vehicle.

Nothing further.
