9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

I responded to Highway 60 and Lusk Drive for a vehicle crash. Both vehicles had been moved from the crash location and were on the shoulder of the road. From the investigation I determined vehicle one, driven by Kelly Hill, had been following vehicle two. Vehicle two, driven by Brian Patnaude, began to slow for traffic ahead of him and vehicle one collided with the rear of vehicle two.

I spoke with Kelly Hill who reported he couldn't see around vehicle two due to its size. He reported he couldn't see if vehicle two was slowing or accelerating. Mr. Hill reported when he realized vehicle two was stopping he didn't have time to stop before the collision.

Mr. Patnaude reported he was slowing for stopped traffic in front of him when he was struck from behind. Mr. Patnaude was driving a large commercial motor vehicle and there was no apparent damage to his truck.

Mr. Hill was able to drive from the crash scene and neither party reported any injury.
