9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 04-13-2015 at approximately 0749 hours, I was dispatched to the intersection of Business 49 and W Harmony Street in reference to a traffic crash involving three motor vehicles.

Upon Arrival, I noted the three vehicles in the southbound turn lane of Business 49 at W Harmony Street. I made contact with the drivers and asked them if their vehicles were still drivable. All three drivers said that they were. I asked the drivers of the vehicles to pull off the roadway into the parking lot of Lambert Vet Supply, to clear the roadway.

I spoke with the driver of a green Dodge Ram 2500 identified as Vehicle 1. I identified him as Joel Bowers by his Missouri Driver's License. He told me that the vehicle in front of him was stopping for the light at the intersection. Mr. Bowers said by the time he realized the vehicle in front of him was stopping, he didn't have time or distance enough to stop before striking the vehicle in front of him in the rear. There was moderate physical damage to the front end of Mr. Bower's vehicle. The front bumper appeared to be pushed in. I asked him if he was injured and he said that he was unharmed. Mr. Bowers said he did not need medical attention.

I spoke with the driver of the Dodge Raider that had been in the middle of the traffic crash (Vehicle 2). I identified the driver of that vehicle as John Brockman by his Missouri Driver's License. Mr. Brockman informed me that he was waiting on the light when he was struck from behind by the Green Dodge driven by Mr. Bowers. The impact caused Mr. Brockman's vehicle to slide forward, striking the vehicle in front of it. There was damage to the front and rear bumpers of Mr. Brockman's vehicle. I asked Mr. Brockman if he was injured and he said he was not.

I spoke with the driver of the red Chevrolet Silverado 1500 that had been in the front of all three vehicles (Vehicle 3). I identified the driver as Shelby Fletcher by her Missouri Driver's License. She stated that she was stopped at the light and was struck from the rear by vehicle 2. There was a passenger in the front right of Ms. Fletcher's vehicle. I identified him as Bryton Black by his Missouri Driver's License. Both Ms. Fletcher and Mr. Black said their backs and necks were sore but they refused medical attention.

All three vehicles were removed from the scene by the drivers.

I have nothing further to add at this time.
