9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 05-11-2015 at 0847 hours I received a call of a traffic crash in the area of Washington Street and Main Street. The information given by Central Dispatch Center (CDC), was that a vehicle was traveling the wrong and struck parked vehicles.

Upon my arrival I observed a black sport utility with Missouri registration #6BS71, vehicle 1. V1 was facing west bound on Main Street which is a one way street going east. I also observed two other vehicles in the parking stalls with damage caused by V1, a red Ford F150 pickup truck with Missouri registration #6WH818, vehicle 2 (V2) and a white Jeep with Missouri registration #8KD105, vehicle 3 (V3).

I identified the driver of V1 by his Missouri driver license as Kenny Gill. Mr. Gill said he came through the intersection at Washington Street and Main Street. He said that his two year olds seat belt came unbuckled. Then he told me that his four year old unbuckled his seat belt to try and buckle his brothers. He said when all that was happening he swerved to miss a vehicle traveling the proper way. He said when he swerved to miss that vehicle he struck V2 in the rear end which caused it to slide into V3.

I observed damage to vehicle 1 was to the front right bumper and there was radiator damage. Vehicle 2 damage was to both rear panels, above and around the rear tires. The damage to vehicle 3 was mainly to the back rear right panel, around the tire.

The owners of V2 and V3, identified by their Missouri driver license's as James Jackson and Gloria Gourley, were also on scene and they explained that they were inside the Newton County Courthouse when they heard what they thought was a trash truck. They said when they looked outside they saw their vehicles damaged and came outside.

Due to how V2 was positioned against V3, Mr. Jackson asked for Ron's Towing Company to respond to the scene and have his vehicle moved safely away from V3.

Photographs of the accident were taken and they are attached to this report.

Information was gathered, and all owners exchanged information. All parties refused transport by medical personnel.
