9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 05-11-2015 at approximately 1133 hours I responded to the intersection of McKinney Street and Wood Street, in reference to a traffic crash.

I arrived on scene at McKinney Street and Wood Street, I observed a red in color passenger car that is going to be listed as vehicle 2 (V2) in this report facing west on McKinney Street. I also saw a red truck that is going to be listed as vehicle 1 (V1) in this report, it was off the roadway. It appeared V1 drove off the roadway and hit a retaining wall which caused V1s front end to jump the retaining wall and rest on top of the wall.

I spoke with the Sharon Williams driver of V2 she is going to be listed as (D2) in this report. D2 stated she was traveling west on McKinney Street approaching Wood Street. D2 explained she saw there was a red truck stopped at the intersection of Wood Street and McKinney Street. She went onto say the truck pulled out into the intersection as she was passing the intersection; she stated the truck was making a right turn on to McKinney Street. D2 explained she did not have enough time to try and avoid the collision and the passenger side of her vehicle was struck by the truck.

I made contact with Maria Lopez driver of V1 she is going to be listed as (D1) in this report. D1 explained she was stopped on Wood Street at the intersection of Wood Street and McKinney Street. D1 stated she looked both way and thought the intersection was clear so she could make a right turn on to McKinney Street. She said she started to make the right turn and hit a car traveling west on McKinney Street, she stated she did not see the car before she made the turn. I asked D1 how her car got on top of the retaining wall; she said she did not remember much after she hit the car.

V1 caused damage to the rock retaining wall when it drove up on top of it. I was able to make contact with the residence at 400 South Wood Street which is the owners of the rock retaining wall. I got the information of the owner and it is added to the property page of this report along with the retaining wall.

V1 was transported by Ron's Towing due to disabling damage. Both parties refused medical treatment.

No further.
