9 NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 05-21-2015 at 1500 hours, I responded to the intersection of Highway 60 and High Street to take a report of a traffic accident.

I arrived at the intersection of Highway 60 and South High Street at 1604 hours. I noticed a red Dodge Ram pickup bearing Missouri registration (3KS009) sitting on the east side of High Street facing north. There was damage to the driver side particularly the driver front fender area. The passenger side tail light was also broken. I noticed a green Toyota Corolla bearing Missouri registration (AF8R3L) sitting on the west side of High Street facing south. The Toyota had extensive damage to the front which made the vehicle inoperable.

I quickly learned that the vehicles had been moved prior to my arrival. I spoke with Sheila Anderson (V1) Ms. Anderson stated she was not injured. She said she was on Highway 60 facing east and was attempting to turn left onto High Street. She said as soon as she seen the other drivers car; she knew she was going to be in a wreck. Ms. Anderson stated the light was green when she attempted to turn left.

I spoke with Angel Rodriguez (V2). Mr. Rodriguez stated he was not injured. He said he was going straight from High street and was attempting to cross over Hwy 60 and onto Howard Bush. Mr. Rodriguez said the light was also green.

After further investigation I spoke with Ms. Anderson again and she stated the light might have been yellow when she tried to turn left. Mr. Rodriguez stuck with his story that the light was continually green. I informed Ms. Anderson that there is approximately a 3 second delay between one light turning red and the other turning green. Ms. Anderson seemed to agree.

The red Dodge Ram was driven away from the scene. The Green Toyota Corolla was towed by Ron's Towing Company.

I did not take precise measurements because of the heavy flow of traffic at that intersection. I estimate the point of impact to be at or around fifteen feet from the beginning of Howard Bush.

Investigation was completed at the scene.

Nothing further at this time.
