9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 05-31-2015 I, responded to a none injury traffic crash south of South Street on Neosho Blvd.

Once on scene I observed two vehicles stopped in the south bound, inside lane of Neosho Blvd. I observed a red Ford passenger car (vehicle 1) displaying Missouri registration KC6D4R with front end damage. I observed a gold passenger car (vehicle 2) displaying Missouri registration FUEL12 with rear end damage. I made contact with the parties involved and asked them if any medical attention was needed. Both parties stated they were not injured and did not need medical treatment. Due to both vehicles being operable, I had both drivers move their vehicles from the roadway to a parking lot nearby for traffic safety.

I made contact with the driver of V1, Megan Kelly identified by her Missouri drivers license. Ms. Kelly explained she was following V2 south on Neosho Boulevard. She said as they went through the intersection of Neosho Boulevard and South Street, V2 went to make a left turn into Westco's parking lot. She said she thought V2 was still moving but realized she had stopped. Ms. Kelly explained she tried to stop but was unable to striking V2 in the rear end; causing damage to both vehicles.

I made contact with the driver of V2, Joni Cleveland identified by her Missouri drivers license. Ms. Cleveland said she was traveling on Neosho Boulevard and missed her turn. She said she stopped to turn left into Westco's parking lot to turn around. She said she was yielding to oncoming traffic when vehicle 1 struck her vehicle in the rear.

Vehicle 1 was towed by Neosho Towing, at the owner's request. Due to Ms. Cleveland not having a valid driver license; Vehicle 2 was driven from the scene by a licensed driver. All insurance information was exchanged at the scene.

Nothing further.
