9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 06-11-2015 at around 0900 hours, I responded to the 800 block of West Harmony Street to take a report of a traffic crash.

I arrived at the parking lot of Orscheln Farm and Home. I noticed a maroon 2005 Chrysler Town and Country bearing Missouri registration (SHOKU) sitting in the parking lot with extensive driver front corner damage. The driver front turn signal lense was broken. There was a series of small to medium dents on the driver front fender. The driver side mirror was broken and there were scratches on the driver front door.

I noticed a red 2005 GMC Sierra bearing Missouri registration (8DB371) sitting next to the maroon van. The GMC had major damage on the passenger side doors and minor damage to the passenger rear quarter panel. The passenger front door had a large dent in it which kept the door from closing. There was a large scrape that started at the dent and went back towards the rear passenger taillight.

Both drivers stated they were not injured. Emergency Medical Services was at the crash right after it happened and medical services were refused by both parties.

I spoke with Jerry Hoover. Mr. Hoover stated he was in the turn lane to go into the Orscheln parking lot when out of nowhere the other driver hit him.

I talked to Veronica Eaton. Ms. Eaton stated she was traveling westbound on Harmony Street. She noticed Mr. Hoover turn left from Fairground Road into the turn lane on West Harmony Street. Ms. Eaton said as she was passing him in the travelling lane, he pulled out and struck her vehicle with the passenger side of his vehicle.

After speaking with Mr. Hoover again, he admitted he pulled out of the turn lane onto the travelling westbound lane then hit Ms. Eaton's vehicle.

Exact measurements were not taken due to the fact that I could not tell exactly where the crash had taken place. I have attached pictures of the damage sustained in this traffic crash.

Nothing further at this time.
