9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

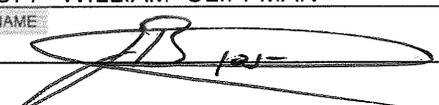

On 06-15-2015 I responded to a non injury traffic crash at the intersection of Lyon Drive and Howard Bush Drive. Upon my arrival I found a white Ford Taurus identified by the Missouri registration, AE0A1T vehicle 1 (V1). V1 was sitting south of Lyon Drive blocking the north bound traffic on Howard Bush Drive, at the intersection. I also observed a Chevrolet Cruze identified by the Missouri registration, FK7N7C vehicle 2 (V2) sitting on the east bound shoulder of Lyon Drive, but the front end was facing west.

I made contact with the driver of V1 identified by his Missouri driver's license, Billy Stamps. He told me he was crossing Lyon Drive, south bound and he did not see V2 and struck it. There was front end damage to V1. He did say that before he went to cross Lyon Drive there was a sport utility vehicle that he waved on that was turning left onto Howard Bush.

I made contact with the driver of V2, identified by his Missouri driver's license, Jonas Yost. He told me he was traveling east bound on Lyon Drive. Mr. Yost said that he noticed V1 coming through the intersection and he started hitting his horn, but V1 still proceeded through the intersection. In doing so, striking V2 in the driver's side of the vehicle. V2 had damage all the way down the driver's side. I again spoke with Mr. Stamp. He told me that he did not hear a horn before the collision.

Both owners requested removal of their vehicles by Ron's Towing.
