9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 06-29-15 at approximately 2349 hours, I was dispatched to the area of High Street and Big Spring Drive for a report of a traffic crash.

I made contact with Shannon Elder, the owner of the parked vehicle. He was unaware that his vehicle had been involved in a traffic crash. I got all of his information and insurance information for the report.

I spoke with John Loveland, the driver of V-1. V-1 is a 2007 Honda Civic bearing Missouri registration SJ9Z3F. That vehicle was parked on the east side of the roadway in front of V-2. Mr. Loveland said he was traveling northbound on High Street and met a truck traveling southbound (vehicle A). He said he believed he had enough room to fit between the truck that was driving and the car that was parked. He said he apparently did not have enough room and he struck the parked vehicle with his vehicle. I got all of his information including the insurance information for his vehicle.

V-2 is a 2007 Honda Civic bearing Missouri registration WH7D1K. The vehicle was legally parked with the passenger side tires close to the right hand curb and no one was in the vehicle. The vehicle was located 344 feet north of Big Spring Drive and the road width at that location is 30 feet from curb to curb. The street was pretty dark with some street lights in the area.

Mr. Loveland had no injuries from the crash and gave no indication of intoxication. Mr. Loveland's vehicle had scratches down the entire passenger side. V-2 had scratches down the entire driver's side and the outside mirror on the driver's side was broken off. Both vehicles were left on scene and the owner/driver's information was exchanged.

I have nothing further at this time.
