9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07/01/2015 at around 1100 hours, I responded to Highway AA to take a report of a traffic accident.

I arrived at Highway AA near the address of 13463. I saw a red Pontiac G6 (bearing Missouri registration WG5A3D) parked in the west bound lane with a male subject sitting in front of the vehicle.

I got out of my patrol car and spoke with Kyle Newman. Mr. Newman stated he was looking for a CD when he swerved off the roadway to the right and drove through a ditch then returned to the roadway where he was parked.

Mr. Newman was checked out by emergency medical services and later transported to a hospital. I could not see any physical marks of injury on his person.

The Pontiac had sustained damage to the undercarriage and front bumper. There was an unknown fluid leaking from under the vehicle. I noticed both front driver and passenger doors were rubbing against the driver and passenger side fenders while opening.

I have attached photographs of the damage sustained on the Pontiac.

Nothing further at this time.
