9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07-02-2015 at around 1500 hours, I responded to the area of Hwy 59 and Lyon Drive to take a report of a traffic accident.

I arrived at the intersection of Highway 59 and Lyon Drive. I noticed a red Chevrolet pickup (bearing Missouri registration 4MC265) sitting in a patch of grass south of Lyon Drive and East of Highway 59.

I spoke to the driver, Kathy Wilson and passenger, Aiden Richmond. I asked them if they were injured. They both stated they were fine. I did not notice any apparent injuries. Ms. Wilson stated she is not sure how she didn't kill somebody. I asked Ms. Wilson what had happened. Ms. Wilson stated she was travelling south on Highway 59, when the vehicle in front of her hit their brakes hard. Ms. Wilson said she thought they were turning.

Ms. Wilson said when she hit her brakes; her vehicle went out of control. She said her vehicle turned left and she crossed a grassy median and two lanes of traffic then slid sideways on grass to the final resting place. Ms. Wilson said she was surprised the vehicle didn't flip over.

I noticed damage on the front bumper and driver side front fender. The fender was bent against the driver front tire. No fluids were leaking from the vehicle from what I could see.

It appear when Ms. Wilson vehicle ran across the northbound lane and into the ditch, the front end of her vehicle hit the ground causing the damage.

A family member arrived and pulled the dented fender out so it wasn't stuck on the tire. The Family member towed the vehicle from the scene.

Photographs were not taken due to the vehicle being towed just after my arrival.

Nothing further at this time.
