9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07-04-2015, I was dispatched to South College Street and West Sherman Street in reference to a non-injury traffic crash. Upon arrival to the area, I located a yellow Penske truck on College Street in front of 520 South College Street. I noticed there was a black cable caught on the front passenger top corner of the box on the truck. The cable was pulled from the phone box that was attached to 510 1/2 South College Street.

I spoke with Charles Alexander, Driver 1. Mr. Alexander said he was making a delivery to 520 South College Street and driving down the street. Mr. Alexander said as he was approaching the residence, the top of the box on the truck caught the phone cable that went over the street and pulled the cable from the house next door. Mr. Alexander said he's made several deliveries to this residence and never had an issue before. Mr. Alexander said the height of the Penske truck is 13'-1".

Billy Edwards was in the truck with Mr. Alexander. Mr. Alexander and Mr. Edwards said they were not injured. Neosho Fire personnel moved the phone cable off of the truck and out of the roadway. The phone cable was laying on the ground next to the phone hub for 523 South College Street.

I contacted an AT&T worker and advised him of the line being down.
